## Notes Top August

If you are unable to attend on your duty day please find your own substitute and notify the Sailing Secretary, Richard Cannon, on 01932 786636, or Email the webmaster using the link in the banner. The website is the master duty roster and should be used to check the the latest duties when arranging a swap; the PDF version is **not** updated.

For privacy the phone numbers are not in the sailing duty list, Duty officers should refer to the duty list they were sent earlier in the year for phone numbers.

Duties **added**, changed, and not done are displayed like this.

A [Race Management Guide](#) for duty officers is available in the Clubhouse and on the [website](#). The patrol boat should be manned until 5:30 pm, or until the last boat has finished sailing if earlier, so members can continue sailing safely after racing finishes.

Duties: The OOD is responsible for organising the provision of cakes and milk for the afternoon tea, for removing the contents of the kitchen waste bin and replacing the bin liner at the end of the day. He should ensure any visitors are greeted and someone looks after them.

The designated bar duty person for Sunday may delegate the duty to another member of the bar committee if one is available. Bar service may not be available during races.

Members will be relying on you so please ensure you undertake your allotted duties.

Printing. The Firefox browser creates by far the best print; right click in the table and select 'This frame>Print frame'.
