2008 PRIZES

As usual all trophies, except the Broken Boom which is for the overall best Boat Handicap result (decided by the highest Rank Points for Boat Handicap) have been allocated to Personal Handicap results.

The race series match those of last year and the same trophies have been awarded. Everyone who was 1st, 2nd, or 3rd for Boat Handicap or Personal Handicap result in a main series, the Easter Egg or the Regatta receive glassware and have been included in the ranking.

If helm capsize or have any other incident or breakage would they please make sure it is recorded on the race sheet so it can be include in my result records; needed to allocate the Water Rat Trophy.

Graham Thompson dominated the results; he sailed 61 times and won four trophies;

A printed report of each race entry, series results, summaries and other items will be in the Race Result folder that is normally kept in the book case and will be on the website. As the race entry reports are very compact and give virtually all the information (except intermediate lap times) on the original race entry sheets these will not be retained.

The following table lists the points of helms that were in the first three places for Boat Handicap or Personal Handicap in any series, except the Fun series. One point is given for each 3rd, two points for each 2nd and 3 points for each 1st place. Ranking is according to the total number of points obtained; rank gives an indication of overall performance including BH and PH results. Big Bold numbers indicate that a tie break was used.
